

Cat® Extended Service Coverage (ESC)

# 4 EASY STEPS TO PROTECT YOUR COMMERCIAL MARINE ENGINE OR GENERATOR SET

You count on Cat marine power for reliability and long service life—and with Extended Service Coverage (ESC), you also get a lifetime of coverage options. ESC for new, used and overhauled commercial marine engines and generator sets protects your investment and your peace of mind. Choosing coverage for your **propulsion or auxiliary engines, prime or standby generator sets** is as easy as following these four steps.

## 1 CHOOSE FROM A VARIETY OF COVERAGE OPTIONS

First, extend your protection beyond the original factory warranty by choosing the coverage option that's right for your situation.

<b>NEW ESC</b>	Coverage for commercial marine engines and generator sets is available in 24- to 60- month terms, in 12-month increments, if purchased before the end of your original factory warranty.
<b>ADVANTAGE ESC</b>	Coverage is available after the end of the original factory warranty in 12- to 60- month terms, in 12-month increments, and before the first overhaul. Your commercial marine engine or generator set is eligible once it passes a qualifying inspection performed by an authorized Cat dealer in accordance with the Advantage Certification Inspection Worksheet.
<b>OVERHAUL ESC</b>	Coverage is available in 12- to 60- month terms, in 12-month increments. Your commercial marine engine or generator set is eligible once a qualifying overhaul has been completed by an authorized Cat dealer in accordance with the Overhaul ESC Checklist.

## 2 IDENTIFY YOUR COVERAGE NEEDS

Next, identify the age and current operating hours of your engine or generator set since delivery or overhaul. Then calculate your annual hours of use to choose the best ESC coverage terms to fit your needs.

**BUILT FOR IT.**

### 3 SELECT YOUR COVERAGE LEVEL

Then, choose from our Silver, Gold, Platinum or Platinum Plus coverage levels (New and Advantage ESC only) to get the exact amount of protection you need based on the Coverage Matrix<sup>1</sup> and Additional Allowances. Overhaul ESC options are also available. Contact your local Cat dealer for details.
